# WATERCOLOUR PAINTING AND DRAWING COURSES

**Come to Waterrow Touring Park and learn to paint or improve on the skills you already have.....**

Our Watercolour painting and drawing courses run from Monday to Friday with the expert tuition of a professional Art teacher. We have a wealth of subjects here – for example flowers, old barns, farmhouse and buildings, beautiful views, the river, bridge, pond, etc., etc. The 'Millennium Barn', from which there are lovely views, provides a studio base and undercover facilities should the weather be inclement.

## ABOUT OUR TUTOR

Kevin Middleton is an experienced art teacher who travels across the country giving demonstrations and course instruction. He also provides private tuition in his studio in Dorset.

Kevin's approach is entirely flexible, catering for a mixed group of abilities so whether you are a beginner or an experienced artist he will ensure you gain the maximum benefit from his teaching. Kevin's love is watercolours but he will also show you (time permitting) how to use other media such as pencil drawing, pen and ink and pastels.
